MANY BRANDS  
IN ONE PLACE

## 2012 THE BEGINNING

Founded in 2012, Navigator Company, from the very beginning wanted to stand out with the quality of services, competitiveness of the offer and flexibility of approach to trade.

## 2021 BIG ACCELERATION

This was the most important moment in the company's history, when business flexibility and speed of response allowed us to enter the wide waters of Polish and international trade. In the year we also accelerate the Spirit Depot project.

## 2024 NEW IS COMING

Moving to a new location, developing the export department and creating a part of the business dedicated to exclusive imports and building brands in Poland. And this is only in the first half of the year...
