

# Ender®

*Çikolatacınız*

1947'de yola çıktığımızda hedefimiz, hafızalarda tatlı anılar bırakmak ve siz değerli müşterilerimize çikolatanın eşsiz lezzetini sunmaktır. **"Koşulsuz Müşteri Memnuniyeti"** hedefiyle ilerlerken aklımızda sadece kalite ve tüm kitlelere ulaşabilmek vardı. Elbette ki bu yolda türlü engeller ve aşılması güç yokuşlar olacaktı. Ender Çikolata olarak tüm bu zorlukları sizlerle aşabilmenin haklı gururunu yaşıyoruz. Kuruluşumuzdan bu güne sizlerden aldığımız destekle ürün portföyümüzde ve kalitemizde hep ileri ve daha yükseğe çıkmak tek varış noktamızdı.

Dünden bugüne sektörün tüm değişenlerine çok çabuk adapte olarak tek hedefimiz olan **"kalite"** kuralımızı hiç değiştirmeden emin adımlarla ilerlemeyi başardık. Sektör ve dünya değişirken bizlerin de bu değişime ayak uyduramaması mümkün değildi. Sürekli kendini yenileyen, gerek fikir ve gerekse teknoloji olarak aynı yolda yürüdüğümüz sektör paydaşlarımızla hoş bir rekabeti de birlikte yaşadık.

Geldiğimiz noktada teknolojinin tüm argümanlarını Ender Çikolata çatısı altında toplayıp Zamana ve Teknolojiye ayak uydurarak, siz değerli müşterilerimizin taleplerine cevap vermek için 76 yıllık tek hedefimizi **"Koşulsuz Müşteri Memnuniyeti"** ilkemizi gururla yerine getirdik. Bugün sizlerden aldığımız bu destekle sadece Türkiye sınırları içinde değil Dünyanın dört bir yanındayız. Ülkemiz sınırları içerisinde, ülkemiz için faydalı neler yapılabiliyorsa; yapan, 10.000.000 metre kare tarım alanında 200.000 adet in üzerinde fidanla ilgilenen, çikolata fabrikası, kuruyemiş fabrikası ve su fabrikası ile üreten ve 50'yi aşkın ülkeye ihracat yapan bir şirketler topluluğu olarak tüm dünyaya ulaşan Ender ürünleri ile Türkiye'mize kattığımız Katma değerle sayılı Türk Firmaları arasında olmaktan gurur duyuyoruz.

Ender Çikolata bugün sektörün lokomotif kuruluşlarından biri olarak 18.800 m2 fabrikası, 250 çalışanı ve modern, son teknoloji makina parkı ile siz değerli müşterilerimize hizmet vermenin ve verecek olmanın gururu ile geleceğe ümitle bakmaya devam edecektir.

*Since 1947, our goal was to create sweet moments in memory and to offer our valued customers the unique taste of chocolate. While moving forward with the goal of unconditional customer satisfaction, we only had quality and reach to all audiences in mind. Of course, there would be all kinds of bumps and insurmountable slopes on this road. As Ender Chocolate, we are proud of being able to overcome all these difficulties with you. From our establishment date up to now with the support we received from you, it was our only destination to go forward and higher in our product portfolio and quality.*

*With the passing of time, we have adapted very quickly to all the changes in the sector, and we have succeeded in advancing with firm steps without changing our "quality" rule, which is our only goal. While the industry and the world were changing, it was impossible not to keep up with this change. We also experienced a pleasant competition with stakeholders in our sector who are constantly renewing themselves and following the same path both in terms of ideas and technology.*

*At this stage, we have gathered all the arguments of technology under the roof of Ender Chocolate and we have kept pace with time and technology, we have proudly realized our 76-year-old goal of unconditional customer satisfaction. Nowadays, we are proud of carrying the Ender brand within the borders of Turkey and all over the World with the support we have received from you. We are proud to be among the few Turkish companies with the added value we bring to Turkey with Ender products reaching the whole World by chocolate producing factory, nuts factory,*
