Standard size: thickness 0.8mm / custom thickness 38mmx3.2m

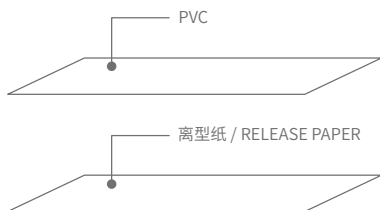

Packing: Roll / Plastic film

A close-up photograph showing a person's hands applying a roll of clear adhesive tape. The tape is being unrolled from a white plastic container and is being stuck to a white surface, likely a kitchen countertop. To the left, a black induction cooktop is visible, featuring a silver control knob and a reflective surface that shows the reflection of a fork and a spoon. The text 'MOLDPROOF WATERPROOF STICKER' is overlaid in bold black letters on the lower part of the image.
