ABOUT US

OUR COMPANY HISTORY

Founded in 2006, Miracle Marble Art is India's leading manufacturer, supplier, and exporter of premium natural stone products. We specialize in agate pebbles, river stones, marble chips, glass chips, stone aggregates, semi-precious gemstones, and more; catering to both domestic and international markets, including the Middle East, South America, Europe, Asia, and Australia.

With a focus on quality, craftsmanship, and innovation, we ensure that every product meets the highest standards. Backed by skilled artisans and a dedicated team, we provide superior stones at competitive prices, making us a trusted name in the industry. We welcome global inquiries and look forward to serving you with excellence!
