Nova Sourcing Private Ltd.

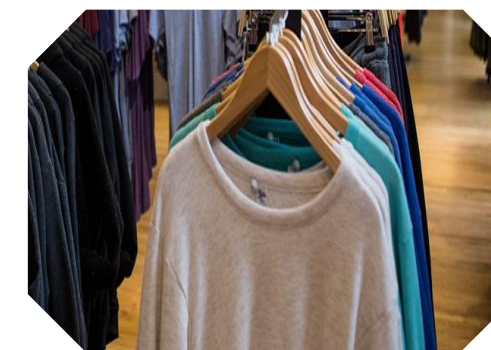

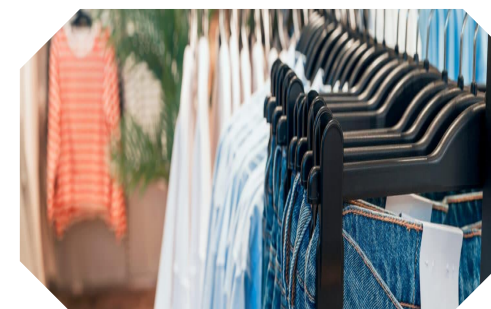

Redefining Textile Product Sourcing

Introduction:

We are one of the leading sourcing companies in Pakistan, specializing in apparel. With a strong presence in the apparel sector, we offer end-to-end sourcing solutions through our extensive network of certified manufacturing partners across Pakistan.

Our sourcing is backed by elite vertical units and factories compliant with Oeko-Tex, BSCI, and ISO standards, ensuring quality, sustainability, and ethical production.

We proudly serve a diverse global clientele, including international brands, wholesalers, distribution networks, and bulk importers. In addition, we maintain joint ventures with local manufacturers, giving us a strong foothold in the apparel production landscape.

Who We Are:

➤ Our Mission

At Nova Sourcing, we aim to transform the textile industry through innovative solutions that prioritize quality, efficiency, and sustainability.

➤ Our Vision

"To be a leading global supplier of innovative, high-quality textile products, empowering businesses and customers with sustainable, stylish, and durable garments, workwear, and sportswear solutions."

➤ Our Values

Integrity, Excellence, Collaboration, and Continuous Improvement.

Compliance:

- ❖ **Manufacturing facilities under Nova Sourcing are engineered based on global bench-marked standards. All our facilities are audited and certified to be compliant with the strictest social and environmental requirements and standards.**
- ❖ **We strictly maintain the basic core areas that social compliance should include are policies on child labor, health and safety, forced labor, compensation, discrimination, working hours, discipline, management systems, and the right to free association and collective bargaining. In addition to these core areas, local culture and government regulations also become a part of social compliance in the industry.**
