## About Us

Rayon Sourcing is a trusted apparel sourcing office based in Dhaka, Bangladesh, dedicated to connecting global brands with the finest garment manufacturers in the region.

We specialize in delivering high-quality knit, woven, sweater, outerwear, and workwear products at competitive prices, while ensuring timely delivery and reliable service.

Our experienced team provides complete end-to-end solutions—from sourcing and product development to supply chain management, logistics, and quality control.

We work closely with a network of compliant factories and skilled manufacturers to meet the unique needs of each client with precision and professionalism.

At Rayon Sourcing, integrity and accountability are at the core of everything we do. We are committed to fostering long-term partnerships by consistently exceeding expectations, supporting sustainable practices, and delivering value-driven results.

With our expertise, dedication, and market insight, we aim to be more than just a sourcing office—we strive to be a dependable partner in your business growth.

# Our Mission

**Our mission is to be a trusted partner to global brands by producing and supplying world-class Apparel items through ethical, sustainable, and socially responsible practices.**

**We are dedicated to:**

- ③ **Delivering high-quality products that meet international standards.**
- ③ **Ensuring a safe, respectful, and empowering work environment for all employees.**
- ③ **Continuously improving our processes through innovation and training. Upholding environmental responsibility in every step of production.**
- ③ **Meeting client expectations with professionalism, integrity, and reliability.**

## ✦ Why Choose Rayon Sourcing

At **Rayon Sourcing**, we go beyond product delivery—we build partnerships rooted in trust, transparency, and performance. Here's why global buyers choose us as their sourcing ally:

### ✓ End-to-End Sourcing Expertise

From product development to final shipment, we manage every step with precision. Our deep industry knowledge ensures smooth coordination across design, sampling, production, and logistics.

### 📄 Quality Without Compromise

We implement a multi-stage quality control process, backed by AQL standards and detailed reporting. Every garment is inspected to meet international benchmarks for durability, fit, and finish.

### 🌐 Strong Vendor Network

With long-standing relationships across Bangladesh's top manufacturers, we offer competitive pricing, flexible MOQs, and access to a wide range of apparel, home textiles, and handicrafts.

### 📋 Compliance & Certifications

We work only with ethically audited factories that meet global standards for labor, safety, and sustainability. Certifications like OEKO-TEX®, GOTS, and BSCI are part of our sourcing DNA.

### 💬 Transparent Communication

We believe in clear, timely, and professional communication. Our team provides prompt updates, detailed quotations, and proactive solutions—so you're never left guessing.

## Garment Quality Control at Rayon Sourcing

At **Rayon Sourcing**, quality is not just a requirement—it's a promise. We implement a meticulous, multi-stage quality control process to ensure every garment meets the highest standards of craftsmanship, compliance, and buyer expectations.

### Pre-Production Assurance

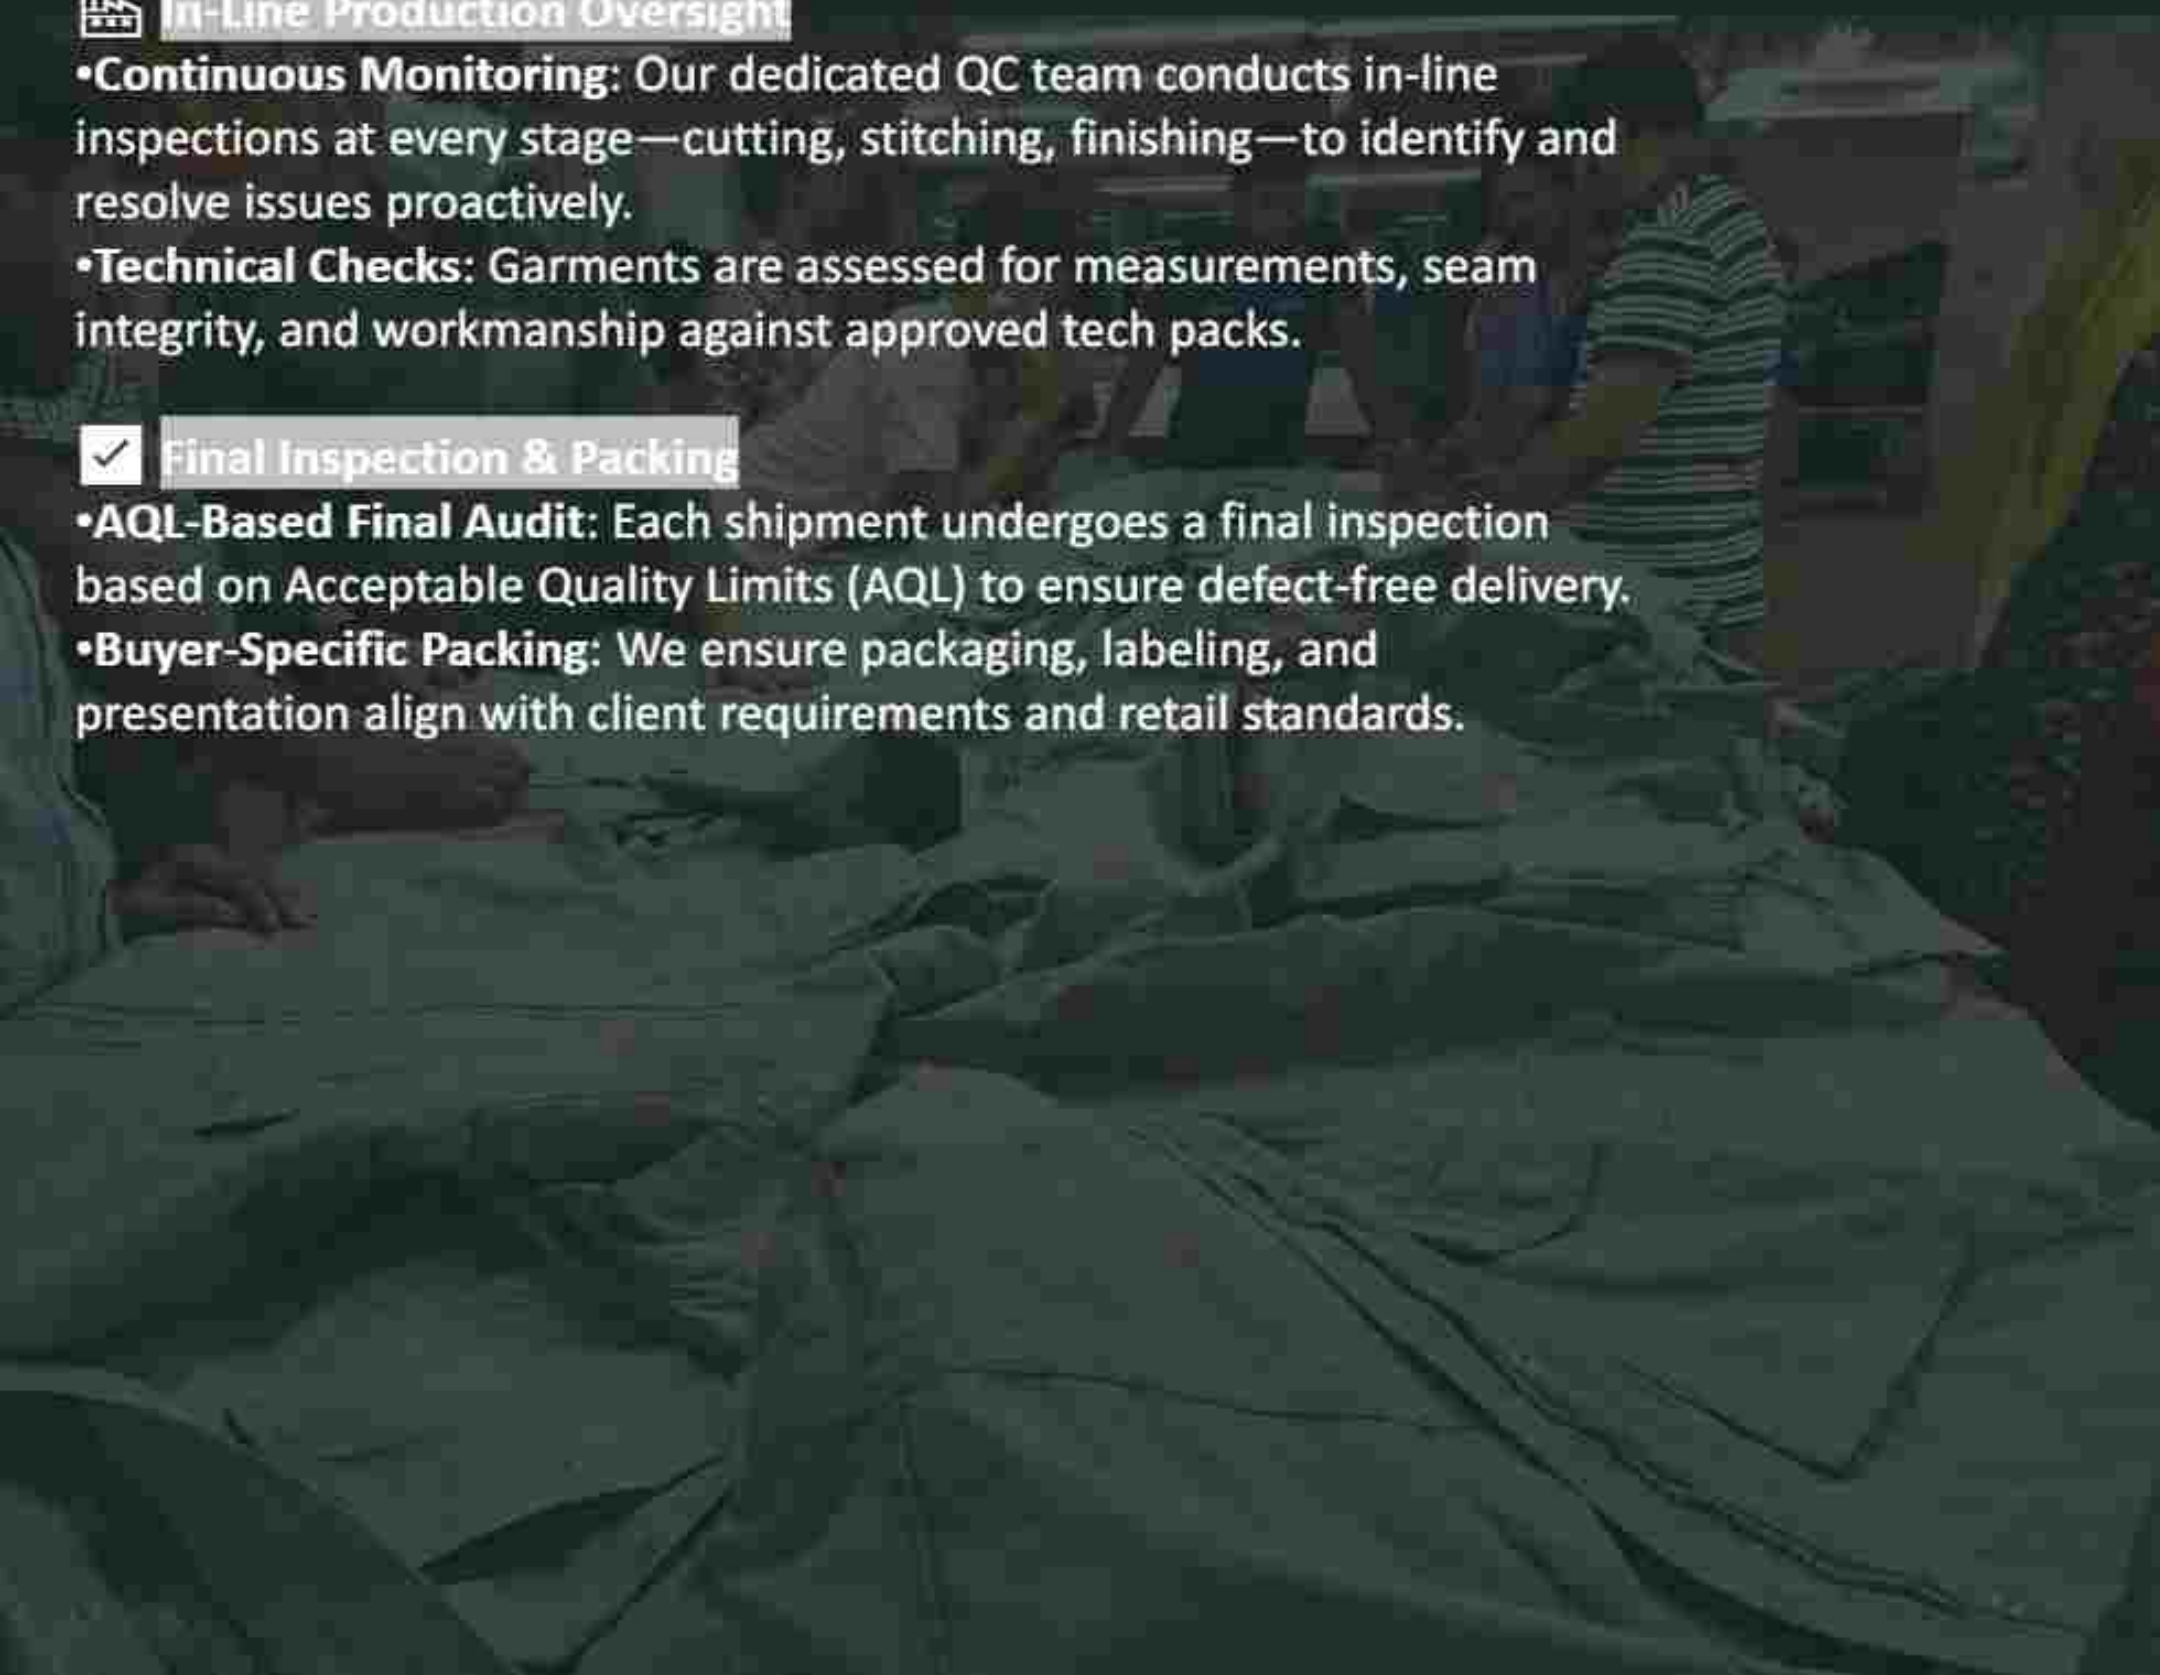

- **Material Verification:** All fabrics, trims, and accessories are inspected for consistency, durability, and conformity to specifications.
- **Sample Approval:** We validate fit, PP construction, and design accuracy through detailed sampling before bulk production begins.

### In-Line Production Oversight

- **Continuous Monitoring:** Our dedicated QC team conducts in-line inspections at every stage—cutting, stitching, finishing—to identify and resolve issues proactively.
- **Technical Checks:** Garments are assessed for measurements, seam integrity, and workmanship against approved tech packs.

### Final Inspection & Packing

- **AQL-Based Final Audit:** Each shipment undergoes a final inspection based on Acceptable Quality Limits (AQL) to ensure defect-free delivery.
- **Buyer-Specific Packing:** We ensure packaging, labeling, and presentation align with client requirements and retail standards.
