ABOUT SOWINPAK

Founded in 2008, Sowinpak is a high-tech enterprise which combines R&D, production and sales. We dedicate ourselves to the paper packaging market and provide Innovative & Differentiated eco-friendly packaging solutions for HORECA, Supermarket, Food Factories, Chain Stores and other Industries.

In 2024, in order to further expand overseas markets and better serve customers, Sowinpak set up a factory **in Vietnam** and has officially put into production.

110,000 +
Plant area(m²)

700 +
Employees

500 +
Equipments

1,500 +
Products

20,000,000 +
Annual export weight(KGS)

We attach great importance to the personalized needs of customers, adhere to technology R&D as the core driving force of enterprise development, and provide customers with custom printing, custom packaging solutions and other services. At the same time, on the basis of existing products through the use of new technologies and new materials, we keep improving the products performance and expanding the applications. We have achieved many innovations in product functions, such as **Microwave Heating, Induction Cooker Heating, Oven Heating, Refrigeration** and other functions.

Sowinpak holds more than 99 patents domestic and overseas, the number of patents ranks among the forefront of the industry, our main products include FANPAK, paper cups, paper lids, paper bowls, paper boxes, paper plates and customized products. In addition, we also have sophisticated quality, environmental and food safety management systems to meet the needs of customers domestic and overseas.

We are looking forward to cooperating and expanding with you in the near future!

HOW TO USE OUR BROCHURE

We have created symbols and icons which guide you through our catalogue to provide relevant information about the individual packaging product.

- D₁** **SAME DAY PACKAGING**
These products are suitable for food for same day consumption.
- D₂** **TWO DAY PACKAGING**
These products are suitable for food which is to be consumed within two days.
- D₃₊** **THREE DAY+ PACKAGING**
These products are suitable for food which is to be consumed within three days or more.
- 🕒** **EXTENDED SHELF-LIFE**
These products have an extended long shelf-life, depending on food content.
- 🌱** **COMPOSTABLE**
All the materials in these products are compostable within 90 days (EN 13432 standard).
- 🌱** **COMPOSTABLE (16 WEEKS)**
All the materials in these products are compostable within 16 weeks.
- 🏠** **SUITABLE FOR HOME COMPOSTING**
- 🎨** **CUSTOM MADE PRINT**
The product can be customised to your design/artwork.

- 🌱** **COMPOSTABLE WINDOW**
The film material used for all these windows is compostable within 90 days (EN 13432 standard).
- ♻️** **RECYCLABLE**
The plastic lids/window films used for these products are recyclable.
- ♻️** **RECYCLED LID**
The lids for these products are made from recycled plastic material (rPET).
- ♻️** **RECYCLABLE BOARD**
The board for these products is recyclable.
- ♻️** **RECYCLED BOARD**
The board for these products is made from recycled material.
- ♻️** **BIODEGRADABLE BOARD**
The board for these products is biodegradable.
- 📺** **SUITABLE FOR MICROWAVE**
The product is suitable for microwave use.
- 🍳** **SUITABLE FOR OVEN**
The product is suitable for oven use.

CUSTOMIZED SOLUTIONS

In light of the varying performance requirements of products across different usage scenarios, we can also provide a diverse range of provide you with solutions in different combinations to meet your specific needs.

PLASTIC-FREE SERIES
Solutions for plastic ban policy

PFAS-FREE SERIES
Meet the needs of sustainability

AQUEOUS COATING SERIES
Comply with plastic-reduction trend

THIN PE SERIES
Less than 5% plastic

PET COATING SERIES
Heat resistant, oven suitable

MAP SERIES
Excellent sealed, keep food fresh

Flat Rim Available

FANPAK®
