## Finishing Options

At Bukit Interiors, every product can be customized in your preferred teak finish. We offer a wide range of finishing options, each designed to enhance the natural grain and character of Indonesian teak while meeting the performance needs of different environments and project styles.

All finishes are available across our catalog and can be tailored to your project specifications, quantities, and intended use upon request.

## Fabrics & Upholstery Options

We work with a curated network of upholstery suppliers, including Sunbrella®, allowing for a wide range of performance and aesthetic options depending on your project requirements. Clients may choose from water-resistant, UV-stable, and fade-resistant fabrics, including solutions specifically designed for outdoor and sun-exposed applications.

We can source and apply selected fabrics upon request, ensuring compatibility with the design, construction, and intended use of the piece.

# OUR SERVICES

## Supply Furniture Retailers

We partner with retailers worldwide, supplying premium Indonesian teak furniture at competitive wholesale pricing. Our durable, consistent teak wood furniture from Indonesia supports smooth restocking for both physical and online stores.

## Custom Furniture Production

We create custom Indonesian teak furniture for developers, designers, and retailers. From tailored dimensions to finish options, we turn your concepts into premium, durable pieces built in Indonesia with export-ready quality.

## Furnish Hospitality Projects

We supply high-quality Indonesian teak furniture for hotels, resorts, restaurants, and residential developments. With custom design options, and coordinated shipping, we're a trusted partner for developers.

## Indonesian Furniture Sourcing

We source one-of-a-kind furniture and multi-material pieces across trusted workshops in Java and Bali. If we can't make it, we find it-handling supplier discovery, negotiations, samples, and consolidation into one export-ready shipment.
