

# ABOUT US

Shiva Valley Naturals is a quality driven supplier and exporter of premium Indian agri products and herbal ingredients.

We specialize in bulk supply of superfood powders that meet global food safety and organic standards.

Our operations ensure traceability from farm to shipment, supported by strict hygiene, lab testing, and transparent documentation, helping international buyers access reliable Indian sourcing without compromise.

## OUR "SHIELD-5" QUALITY PROCESS

At Shiva Valley Naturals, we maintain excellence through a standardized Shield-5 process that safeguards quality from harvest to shipment:

1. **Ethical Sourcing** from verified farmers and certified processors.
2. **Controlled Drying** - Shade or Solar
3. **Multi Stage Cleaning & Sieving**
4. **Testing & Compliance**
5. **Hygienic Packaging & Export Handling**

# WHY CHOOSE US?

## TRUSTED PARTNERSHIPS

- Reliable supply chain with verified farmer networks.
- Scalable supply volumes, from pilot orders to full containers.

## QUALITY ASSURANCE

- Consistent batch wise testing and documentation.
- Export readiness with APEDA registration and EU compliant processing.

## FLEXIBLE SOLUTIONS

- Custom labelling & packaging support on request.
