

**Institute of Water and Flood Management
Bangladesh University of Engineering and Technology
Dhaka-1000, Bangladesh**

Completion Certificate

This is to certify that IoTixLab has completed the work of project titled **Service of Rain Gauge and data logger installation (Dacope, Khulna and Paba, Rajshahi) For Field Based Applied Research (ASR) technology for increasing cropping intensity of Bangladesh (KGF) Project, IWFM, BUET, Dhaka, RGQ reference: KGF/IWFM/BUET/20-21/07** date issued 11/09/2021. The value of the work completed was Tk 8 lacs approximately. Description of works follows:

- Supply Data Logger & Rain Gauge
- Cloud Software Customization
- Setup and Maintenance at site

Dr. Sara Nowreen

Assistant Professor, IWFM, BUET and
Project Leader, KGF Project

**Institute of Water and Flood Management
Bangladesh University of Engineering and Technology
Dhaka-1000, Bangladesh**

Completion Certificate

This is to certify that IoTixLab has completed the work of project titled **Supply of Rain Gauge & Ground Water level with cable(35m) for Study on abstraction-induced recharge as an adaptation response to climate variation for shallow aquifer in Bangladesh (IFS) Project, IWFM, BUET, Dhaka** RFQ reference: **IFS/IWFM/BUET/18-19/01** date issued 15/01/2019. The value of the work completed was Tk 2.5 lacs approximately. Description of works follows:

- Supply Data Logger & Rain Gauge
- Cloud Software Customization
- Setup and Maintenance at site

Dr. Sara Nowreen

Assistant Professor, IWFM, BUET and
Project Leader, KGF Project

**Institute of Water and Flood Management
Bangladesh University of Engineering and Technology
Dhaka-1000, Bangladesh**

Completion Certificate

This is to certify that IoTixLab has completed the work of project titled **Supply of Rain Gauge, Surface Water level with cable(100m), Long range sonar(contract less)Based & Ground Water level with cable(35m) for Diagnosing Water security in hard to reach mountainous areas with an environmental security framework (ICIMOD) Project, IWFM, BUET, Dhaka, RFQ reference: ICIMOD/IWFM/BUET/18-19/02** date issued 15/02/2019. The value of the work completed was Tk 4.5 lacs approximately. Description of works follows:

- Supply Data Logger & Rain Gauge
- Cloud Software Customization
- Setup and Maintenance at site

Dr. Sara Nowreen

Assistant Professor, IWFM, BUET and
Project Leader, KGF Project
