

Scivera Chemistry Impact Score report for EIM

Scivera is proud to support Chemistry Impact Scoring (CIS) for the EIM program hosted by Jeanologia. This report was issued by Scivera and pertains to the company name and product name indicated below and is only valid for the dates indicated below.

Chemistry Impact Scores are valid for 1 year from the issuance date, or sooner if the corresponding ZDHC or Screened Chemistry certificate expires prior to one year

Supplier	ZhongShan HongSheng Biotechnology Co., Ltd.					
Product name	Dneo Protect GRJ					
Issue Date:	Expiration Date:	Option	ZDHC Level:	Screened Chemistry Score:	EIM Color	EIM CIS
Nov 15, 2023	May 31, 2024	EIM Option 3	ZDHC Level 3	30.0	Green	28

*If there are any changes to product formulation, suppliers, or documentation, the product will need to be re-scored.

Colleen E. McLoughlin, Ph.D., DABT, E.R.T.
Director of Toxicology

The EIM Chemistry Impact Score and all information listed above, including ZDHC Level and applicable Screened Chemistry score, will be provided to Jeanologia for listing in the EIM platform. Please contact us immediately if you do not want your EIM Chemistry Impact score information above to be submitted to Jeanologia for listing in the platform. If we do not hear otherwise, we accept your permission to submit.

Scivera manages an [EIM Chemistry Impact Score Registry](#) that includes all EIM Chemistry Impact Scores issued by Scivera. This can be used to confirm EIM score issuance and expiry dates.

If you have any additional questions, please contact or support@scivera.com
