CERTIFICATION NO: 6213-3736-01

DATE OF ISSUE: 16 July 2024

EXPIRY DATE: 15 July 2025

HACCP AUDITOR: Compass Assurance Services, Australia

In accordance with this HACCP Food Safety System program, products manufactured by Woolube Laboratories Pty Ltd, audited by Compass Assurance Services, meet the ISO 22000 - HACCP compliance standards for use in food safety production.

This certification certifies that these food-grade lubricants and Citra degreasers are suitable for use with machinery and facilities operating in a HACCP Food Safety Program. Compass Assurance Services evaluation and certification are strictly confined to matters of food safety operations. It's important to note that this certification does not cover other aspects of product performance or suitability for specific applications.

It is crucial that all products are used in strict accordance with the brand owners' product information or manufacturers' instructions. This responsibility ensures that you are in control of the safety and efficacy of the products, to make informed decisions.

NO guarantee is offered or implied in the issuing statement. All reasonable care must be taken when using these products, as it does not guarantee that every food safety risk in every application has been identified.
